

Recsters Summer Camp

2024

Dear Families,

Here is a brief explanation of some of the activities that are included in the 2024 summer activity schedule:

Rotations- During this time Recsters will rotate to four different activities during the week. The activities are cooking, crafts, fitness, and science.

Quiet Reading- Recsters will go to the library at the beginning of each week and will be expected to check out books at their appropriate reading level to enjoy during our quiet reading time each day after lunch. We also have books available in the Recsters room, if needed.

Pool Time- We will be swimming around two-three hours a day at the Aquatic Center. Recsters should bring their swimsuits, towels, and sunscreen, unless noted on the schedule. If needed, counselors will assist with putting on sunscreen. **It is required that each child has sunscreen on before they enter the pool.** We will reapply half-way through swimming time. We understand we will have some non-swimmers in the program. We will have lifejackets at the aquatic center if needed. We will also try to group non-swimmers into certain areas with a dedicated staff member.

Field Trips- There will be one field trip scheduled each week. Please refer to the note section on the bottom of each page for any additional information. If your child does not go on the field trip, you will need to provide care for that time frame.

Library program- We will be participating in the North Liberty Library Summer Reading Program, usually held on Tuesdays.

Lunch & Snack- Recsters will need to bring a sack lunch every day to program unless noted otherwise. Recsters should also pack **TWO** snacks every day because we have snack in the morning and afternoon.

RAKs- Random Acts of Kindness, or RAK, is an activity done every Friday before lunch. This involves all Recster kids performing an act of kindness somewhere around the Rec Center or within walking distance in the city. Nothing is needed to be provided by parents for RAKs.

The schedule is subject to change due to unforeseen circumstances, but we like to stick as close to the schedule as possible. We are all looking forward to having a great summer! If you have any questions or concerns feel free to contact us at any time!
